Cherished husband of Rosa (Rosie)*

Served in 5 R.V.R. (Victorian Scottish Regiment) 1967-69, registered for national service in 1969, but was never called up. Married his wife Rosa on the 1<sup>st</sup> of May, 1971 and lived happily together for 49 years. Philip was a boiler maker by trade, in 1972 to 1982 he joined Victoria Police, serving for 10 years.

Philip was active in the Bunyip RSL and the RVR Association.

*I have enduring and very positive memories of Phil, particularly in my time as Secretary of the RVR Association. Phil was always good company with a great sense of humour and a positive practical outlook. He had dedication to any task he decided was worth the effort. It was a real pleasure and privilege to know Phil. Please accept my condolences Rosa and family.*
